Year 4 – Food Glorious Food

Dear Parents,

We are very excited to announce that part of our new topic, Food Glorious Food, we have invited a special visitor to the school to help year 4 experience tasting and making chocolate on **Monday 28th September**.

The children will participate in a workshop where they will get to taste various chocolates, learn about the process of making chocolate, then create, and decorate their own chocolate pizza.

We understand that this an extra expense for families and so we would like to reassure you that this is a key part to our learning this term as it will be part of our DT unit. The cost of this workshop will be £7.50 per child. This covers the cost of the visitor to run the workshop and for all the ingredients the children will use in their own creations.

Please sign the slip below to give your child permission to participate in the workshop and indicate if your child has any allergies as consuming chocolate is part of the experience.

Yours sincerely,

Miss Craig
